

Academic Calendar

ABES follows the AKTU academic calendar. The exact dates are released by AKTU each session; the pattern below is typical.

Period (typical)	Activity
July - August	Counselling, admissions, orientation for first-year students
August - December	Odd semester classes; sessional/class tests during the term
December - January	Odd semester university examinations
January - February	Even semester begins
February - May	Even semester classes and sessional tests
May - June	Even semester university examinations
June - July	Summer internship / training, results, re-evaluation

Holidays follow the UP government and AKTU list (Diwali, Holi, Independence Day, Republic Day, etc.). Check the notice board and the college ERP for the current dated calendar.

Compiled September 2026 from publicly available sources (abes.ac.in and education portals). Figures change every session and some sources differ; confirm with the college before relying on them.
