

Admission

B.Tech admission route

- About 85% of seats are filled through JEE Main score and UPTAC/AKTU counselling.
- About 15% of seats are management quota (direct admission through the college application, without an entrance score).
- B.Tech Lateral Entry (3 years) is available for diploma holders, admitted through UPTAC.
- B.Tech Working Professional programme (CSE, ECE; intake about 30 each) for diploma / B.Sc. (Maths) holders with work experience.

Eligibility (B.Tech)

- 10+2 with Physics and Mathematics compulsory, plus one of Chemistry / Biotechnology / Biology / Technical Vocational subject.
- Minimum 45% aggregate (40% for reserved categories).
- Valid national/state engineering entrance score (JEE Main) for counselling seats.

Other programmes

- MCA and MBA: entrance-based (CUET/UPCET/CMAT type scores as notified by AKTU/UP authorities).
- M.Tech: GATE or AKTU-notified entrance / merit.

How to apply

Counselling seats: register on the UPTAC portal, fill choices and complete seat acceptance and document verification. Management quota: use the online enquiry / application on the ABES website or contact the admission cell (see [contact_information.pdf](#)).

Documents usually needed

- Class 10 and 12 marksheets and certificates
- JEE Main scorecard / UPTAC allotment letter
- Category and domicile certificates if applicable
- Transfer and migration certificate, photographs, ID proof
