

Departments

Main academic departments (as reported on public portals):

- Computer Science and Engineering (including AI/ML and Data Science specialisations)
- Electronics and Communication Engineering
- Electrical and Computer Engineering
- Mechanical Engineering
- Applied Sciences and Humanities (first-year subjects: Physics, Chemistry, Mathematics, English)
- Computer Applications (MCA)
- Management studies (MBA, as listed by some portals)

Each department runs its own labs, faculty mentoring and student technical activities. Reported teacher-student ratio is about 1:30 and average class size about 30.

Compiled September 2026 from publicly available sources (abes.ac.in and education portals). Figures change every session and some sources differ; confirm with the college before relying on them.
